

DHS/CBP and JNLWD

U.S. Customs and Border Protection

U.S. Customs and Border Protection, CBP, is one of the world's largest law enforcement organizations. CBP is responsible for keeping terrorists and their weapons out of the United States while facilitating international travel and trade.

CBP Law Enforcement Safety and Compliance Directorate

The CBP Law Enforcement Safety and Compliance Directorate (LESC) mission is to optimize the safety, readiness, accountability, and operational performance of CBP law enforcement personnel by articulating use of force policy, establishing appropriate controls and standards and supplying the highest quality education and training, weapons and other tactical equipment.

Border Protection

Distribution A, Approved for Public Release

Current State of CBP

- Use of force: Type of use of force; Effectiveness; Functionality of device

Less-Lethal Device

- ADF (Air Disabling Fire)
- CNLDD (Controlled Noise and Light Distraction Device)
- CSB (Collapsible Straight Baton)
- CTDD (Controlled Tire Deflation Devices)
- ECW (Electronic Control Weapon)
- FN303
- Less-Lethal Munitions
- OC (Pepper Spray Hand Held Canister)
- PLS (Pepper Ball Launching System)
- SBIP (Small Boat Interdiction Program)

Firearm

- Pistol
- Rifle
- Shotgun

Other

- Patrol K9
- Physical Force w/out Weapon
- Vehicle
- Other Force

Future State of CBP's Less Lethal Program

CBP LESC continues to observe the existence and development of less lethal technology and equipment that is potentially viable for CBP use.

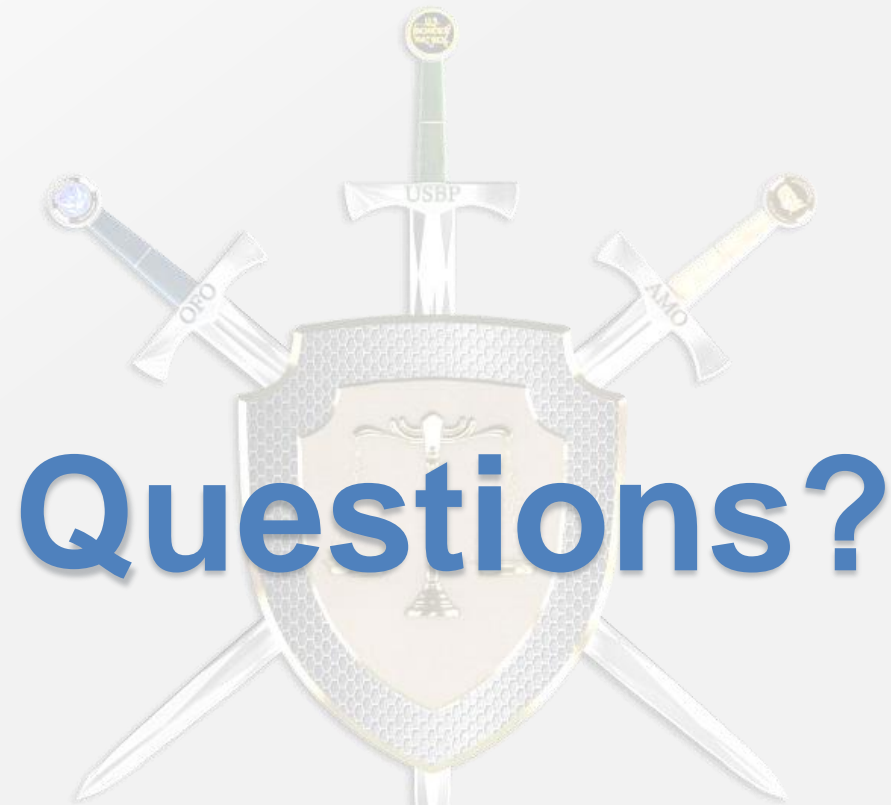

- Longer Range Less Lethal Technology
- Enhanced Remotely Deployed “man in the loop” Less Lethal Options
- Vehicle Disabling Capabilities
- Vessel Disabling Capabilities

CBP Less Lethal Capability Continuations

Title	Capability	Performer	Date of expiration	Contract Value
Electronic Control Weapon (ECW)-	close range neuromuscular incapacitation	Taser Intl./Aardvark	August 2021	\$33M
OC Spray	close range chemical irritant	ADS/Zarc	June 2019	\$994,147.00
PLS	mid range chemical irritant	United Tactical Systems	September 2019	\$5,190,349
Less Lethal Specialty Munitions	mid range chemical irritant or impact deterrent	Aardvark	September 2020	\$7.1M
Nighthawk	Remotely deployed vehicle stopping system	Pacific Scientific	September 2020	\$914,125.00
FN 303	Mid range impact deterrent	FN America	September 2020	\$5M
